Sanctified: Set Apart For God

1. Describe a time when you began noticing that you were growing more in Christ-likeness. As you reflect on past years in your Christian life, what specific areas of growth can you identify?
2. As a result of your progressive sanctification in Christ, what unprofitable or sinful things are you no longer interested in? What new interests do you now delight in pursuing?
3. Is there an area in life where you find that you're struggling to grow in obedience to Christ? What impedes your motivation to obey in this area? How were you encouraged in this message to pursue holiness and live a life more set apart for God?
