

Sermon Application/Discussion Questions – 11/19/2017
Sunday Message: Andrew – John 15:1-11
Sanctified: Abiding Life

1. Jesus calls us to consistently find our life in him and draw our life from him. Considering this reality, what is your understanding of what it means to abide in Christ?
2. Jesus doesn't expect you to demonstrate godliness apart from his sanctifying work in you. Godly fruit stems from the life of Jesus coming out in the lives of his people as they abide in him. In the message, which aspects of abiding (by the Spirit, by God's Word, through prayer, and by staying--not wandering) personally resonated with you?
3. The process of God's pruning can be painful and leave you feeling vulnerable, but it is always purposeful, for your good. In which ways has the Father pruned you or is currently pruning your life to make you more effective and remind you that Jesus is your real life?
4. God's pruning is evidence of your Heavenly Father's love and faithfulness to you. How does this perspective help motivate you to walk in obedience to God and to positively identify spiritual growth in yourself and others?
