

Sermon Application Questions – 2/03/2019

Sunday Message: Andrew Kalvelage

Title: This Is Us

Text: 1 Peter 2:4-10

Main Points:

1. A Spiritual House
2. A Holy Priesthood

Application Questions:

1. Explain the significance of Jesus as the cornerstone in relation to how he builds the Church.
2. As a “priesthood of believers,” who are set apart for God, what is our main mission and how do we fit into the big picture of Jesus building his Church?
3. What does it mean for you to function in a priestly capacity in your family, with other believers in our church, in your community and ultimately out in the world?
4. In contrast to following the world, following Christ can at times be inconvenient and embarrassing. Sometimes, it can also be a great honor. In what ways do you relate to these two categories of experience?
5. Consider where you currently find yourself in answering the following question and then explain why. Are you more eager to minister to others these days or are you weary and therefore tempted to resign from or avoid certain ministry opportunities?
