Sunday Message: Joshua Gilmore – 2 Corinthians 5:1-10
God's Power in Our Weakness: The Christian's Hereafter

1. What do you look forward to when you consider receiving a new, glorified body and being with Christ in heaven?
2. Paul provides a reminder of where a Christian's true home is and encourages us to walk by faith and be confident about our future. In what ways are you tempted to walk by sight, and how is God cultivating a deeper faith that in Christ your best days are not in this world, but lie ahead in heaven?
3. Knowing that our salvation comes through the atonement of Christ on the cross, what motivates you to do good works and please the Lord? How does the fact that in the end you will be judged and rewarded based on your faithfulness as a Christian resonate with you?
