Sunday Message: Andrew Kalvelage – 2 Corinthians 3:1-18
God's Power in Our Weakness: The Nature of the New Covenant

1. How do you understand the Old Covenant and its obedience to Mosaic law in relation to the New Covenant instituted by Christ and accessed by faith in his atoning work through his death on the cross?
2. In what ways does the Old Covenant and its standards (as summarized in the Ten Commandments) inform your view of yourself and shape your sense of wellbeing? In what ways does the New Covenant bring you hope and encouragement?
3. The Law shows us the true condition of our hearts, but the Holy Spirit reaches our hearts in ways that the Law cannot. How does the Holy Spirit reach our hearts and work change in us? How is the Holy Spirit reaching you and making a difference in your life?
