

Sermon Application/Discussion Questions – 7/29/2018
Sunday Message: Warren Boettcher – Ecclesiastes 2:18-26
Everyday Series: Work

1. What do you pursue in life that is worth pursuing considering the gospel and God's priorities? Which ventures are you discovering are futile to pursue? Are you experiencing God's conviction about anything that you're currently prioritizing and going after? If so, what might need to change?
2. What comes to mind when you consider that everything that you've worked for in life will be left behind for others to use or attempt to continue? What can be comforting (or not so comforting) about this reality?
3. In what ways does the gospel inform how we are to go about pursuing a God-glorifying life of work? What claims does it make on us? Where does it set us free from worldly expectations?
4. What did you take away from this message? Are there other areas of life this message spoke to?
